

Gavotte of Grenoble : Fiif

Little son

Comp. : Aurélian Claranbaux (France)

Disc. : Aurélian Claranbaux, ZEF

Notes : Recorded and played by A.C. in B minor. This piece is prone to major slip-ups, there's even a YouTube video of A.C. himself making a couple of glorious mistakes! The title of the tune is curious : it's a southern French dialect version of the word son, a name the musicians of the French band ZEF use for each other. Attention : the Gavotte de Grenoble is the slow-paced dance most Balfolders mistakenly call of "de l'Aven". The Gavotte de l'Aven is a traditional (and difficult) dance from Brittany.
