

Mazurka : Lisbonne

Lisbon

Comp. : Éric Thézé (France)

Disc. : Éric Thézé

Notes : This tune is not a mega-hit of Portuguese folk nights, but it is included in the Jamictionary as yet another of those compositions written with sunny Lisbon in mind – perhaps in homage to good times spent here. The harmony is a much simplified version of what Monsieur Éric actually plays. The music is long and somewhat dark—not the Lisbon seen in mobile-carrier ads or described in our popular music!
