

Scottish : Esperanza a l'aranesa *Hope in the Aranese style*

Comp. : Marc Perrone (France) in 1978

Disc. : André Minvielle

Notes : This Scottish might be the most overplayed at jams in France. So overplayed that some people refuse to play it! It's fun to play, but harder to sing, especially in the original Occitan language. Occitan is one of several languages spoken in France, just like Breton Gaelic, Basque, Alsatian, etc. Want more info? Check Wikipedia, of course!
