

Hanter Dro : Kabalerien

Comp. : Trad. Brittany region, France
Disc. : Alain Pennec
Notes : Simple tune, great for combining with other Hanter Dro-style melodies and extending the worm-dance. This version was popularized by Alain Pennec. Note: traditional Breton tunes often lack official titles. This one was named by someone just to identify the melody. That tradition leads to a lot of confusion and difficulty in searching Breton music in any database.
