

## Bourrée 2T : Last chance

**Comp.** : Michel Pichon (France)

**Disc.** : Blowzabella

**Notes** : According to Wikipedia, the bourrée is a French-origin dance common in the Auvergne and Biscay regions in 17th-century Spain. Originally titled "Il n'est plus temps", it was popularized by the English band Blowzabella who appear to have named it differently under an English title. What were they thinking? It has a slightly different swing from traditional French bourrées, which sometimes causes confusion in the dance floor. Play it wrongly and it might be your last chance to ever try a bourrée in a jam session!
