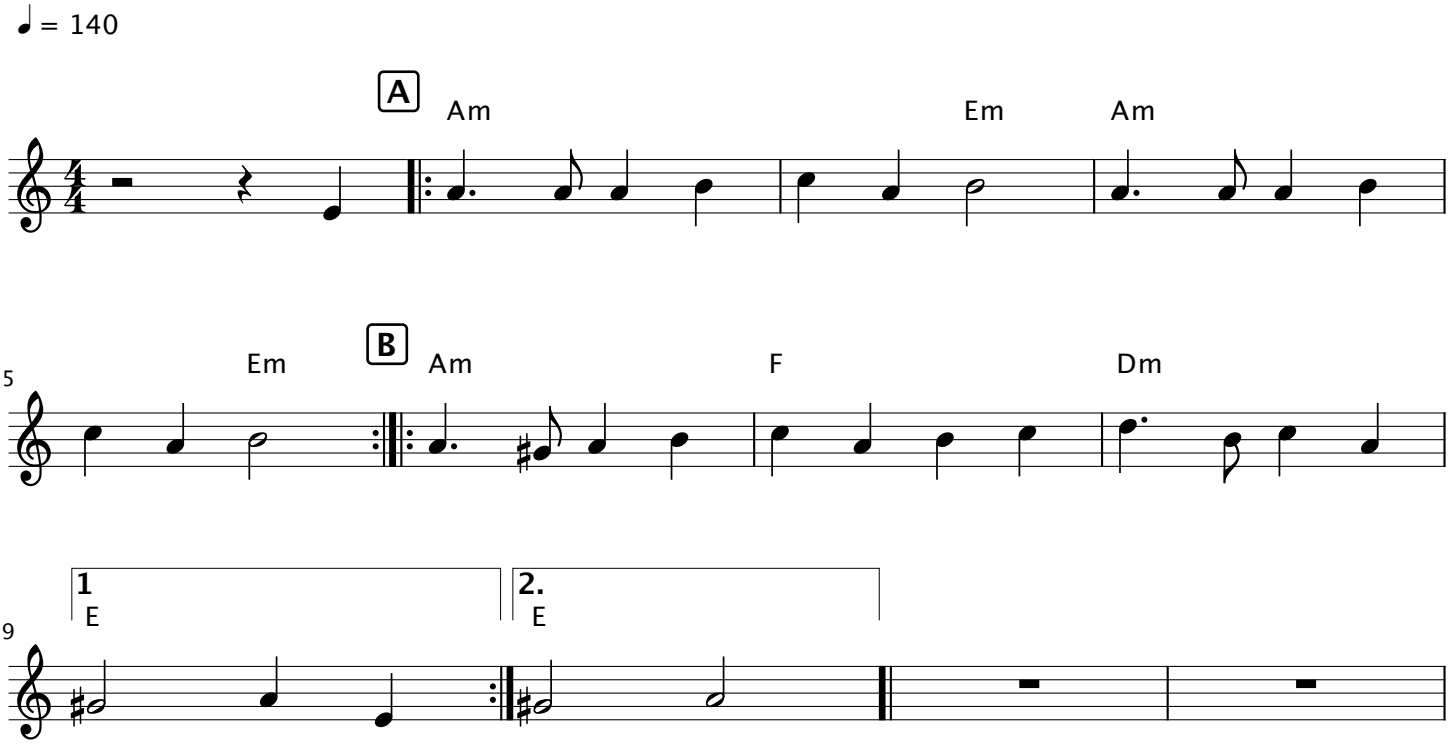
Bransle d'Ossau : Quan j'eri hilha a maridèr
When I was a daughter to marry


Comp. : Trad. Gascogne (France)
Disc. : Gasconha Plus, Duo Brotto-Milleret, Laïs
Notes : It's a song. The title (in Occitan) appears spelled differently depending on the performing group—either someone's making mistakes or there are various forms of Occitan. BPM follows the Duo Brotto-Milleret version.
