

Big circle : Cleveland park

Comp. : Ivan Drever (Scotland) in 1987

Disc. : A lot of park goers on Youtube

Notes : **Notes** : "Big circle" is the original name given by the choreographers to the mixer dance 99% of Balfolkers wrongly name as "Circassian circle" which is in fact a dance from the British isles. To confuse matters even further, the Circassians are a Caucasian ethnic group! Oy! Ivan Drever is a Scottish musician that has released an impressive number of CDs. This is an unusually modal jig : hard for some fingers, fun for others! The tune's name isn't clear : it could be Clevent park in London or the residential neighborhood in Washington DC.
