

Big circle : Horizonto

Comp. : Paul James (England) in 1988

Disc. : Blowzabella, Andy Cutting

Notes : "Big circle" is the original name given by the choreographers to the mixer dance 99% of Balfolkers wrongly name as "Circassian circle" which is in fact a dance from the British isles. To confuse matters even further, the Circassians are a Caucasian ethnic group! Oy! This tune has the power to tie fingers in knots. It was composed by mister Paul after a gig in Belo Horizonte, Brazil. Play in 2x blocks to align correctly with the dance (i.e., 2x + 2x + 2x...)

♩ = 120

The musical score is written in 6/8 time with a key signature of one flat (Bb). It consists of 38 measures, organized into two 2x blocks. The score includes various chords and a repeat sign at measure 10.
