

Single : Ambee Dageets

The Armenian turn

Comp. : Trad. Armenia

Disc. : Theo van Tol

Notes : A simple tune that gradually picks up speed. Note the scale, which is in one of the Eastern modes. The dance is circular and resembles a simple version of Tzadik Katamar with clapping included. It is a song reminiscent of Fado lyrics: it speaks of rainwater, which in turn symbolises a peculiarly ardent love. For some reason, the internet yields quite a few results in the US and the Netherlands, and, cruel fate, there is a second melody with the same name. What a turn of events!
